Sponsorship Opportunity

The KCC annual meeting held in conjunction with the KFSA annual meeting brings cooperative individuals from all over the state of Kansas. Based on previous participation, we anticipate more than 200 attendees for 2012.

This year we are providing the chance for four exhibitors to showcase their company even more by offering a sponsorship opportunity. Please note on the exhibitor contract if you would like to be a Gold Sponsor for \$500. Sponsorships are awarded “first come, first serve” based on receiving full registration and payment.

This sponsorship is separate from, and in addition to, your exhibiting registration fee. It is completely voluntary.

Benefits of Gold Sponsorship:

- *Company listing in program.*
- *Verbal recognition by Chairman or President/CEO.*
- *Company listing on Kansas Cooperative Council website for 2012 (over 10,000 hits a month).*
